

SIAC Webinar

SIAC Around the World: Global Trends and Developments in SIAC's 2020 Case Statistics

Wednesday, 14 April 2021
4.00pm – 5.15pm SGT (+8 GMT)

[Time Converter](#)

REGISTER HERE

SIAC reported its highest caseload ever of 1,080 cases in 2020, with 94% of those cases involving international parties from 60 jurisdictions. Join members of the SIAC team in taking an in-depth look at SIAC's 2020 case statistics and what they mean for parties around the world. Representatives from SIAC's global offices and its Secretariat in Singapore will be discussing worldwide trends and developments in SIAC arbitrations.
