Hybrid and Fully Online Formats Available

The Singapore Institute of Arbitrators (SI Arb) is pleased to announce that a new edition of its Fellowship Assessment Course (FAC) is now open for registration.

***The FAC will focus on teaching candidates the practical aspects of acting as an arbitrator. To benefit from FAC, candidates should already have a sound grasp of the law of arbitration.**

SYNOPSIS OF THE COURSE

This Course consists of 6 modules with a total of 9 lectures, 6 practical workshops and an Award Writing Examination:

- **Module 1** will cover the basic concepts and principles on the sources of law, the law of contract, the law of tort, and the treatment of evidence. *Candidates who have obtained a degree in law from a university or other tertiary institution recognised by the SI Arb (or such other legal qualifications as the SI Arb may in its absolute discretion accept) are exempted from Module 1. All other candidates are required to attend Module 1 and attend Practical Workshop 1.*
- **Module 2** relates to (i) the acceptance of an arbitral appointment, covering topics such as conducting conflict checks and making disclosures before or when accepting an appointment; (ii) dealing with jurisdictional challenges; and (iii) emergency arbitrations.
- **Module 3** covers (i) case management in conducting an arbitration; (ii) techniques for controlling time and costs in an arbitration; and (iii) drafting procedural orders.
- **Module 4** covers (i) dealing with interlocutory applications; (ii) drafting discovery orders; (iii) dealing with costs of interlocutory applications; (iv) dealing with extension of time applications and guerilla tactics; and (v) dealing with preliminary issues.
- **Module 5** covers the conduct of the evidentiary hearing.
- Finally, **Module 6** covers the practical aspects of actually writing the Final Award.
- In the **Practical Workshops**, lecturers and tutors will address questions from candidates and show practical examples of an arbitrator's work product such as procedural orders, Redfern Schedules, discovery orders and interim awards. In **Practical Workshop 6**, the lecturer of Module 6 will dissect a sample award to see how it should, or should not, be written.
- In the **Award Writing Examination**, candidates will be required to write an enforceable final award.
